Meridian Junior Auxiliary
Humanitarian Award Recommendation

The Meridian Junior Auxiliary Humanitarian Award is given annually to a person, organization or business in recognition of the time, talent, effort, etc. which that person, organization or business has contributed to the betterment of our community, particularly to youth.

Please provide the following information. If you are recommending a person for the award, please list any civic or charitable organizations with which he or she has been affiliated. Please attach extra sheets if necessary.

Name: _____

Address: _____

_____

Phone: _____

If an individual, we need educational background, family background, employment (including position held) and number of years in Meridian.

Describe activities in which the person, organization or business has been involved for which you feel the Humanitarian Award should be given:
